

March 1, 2018

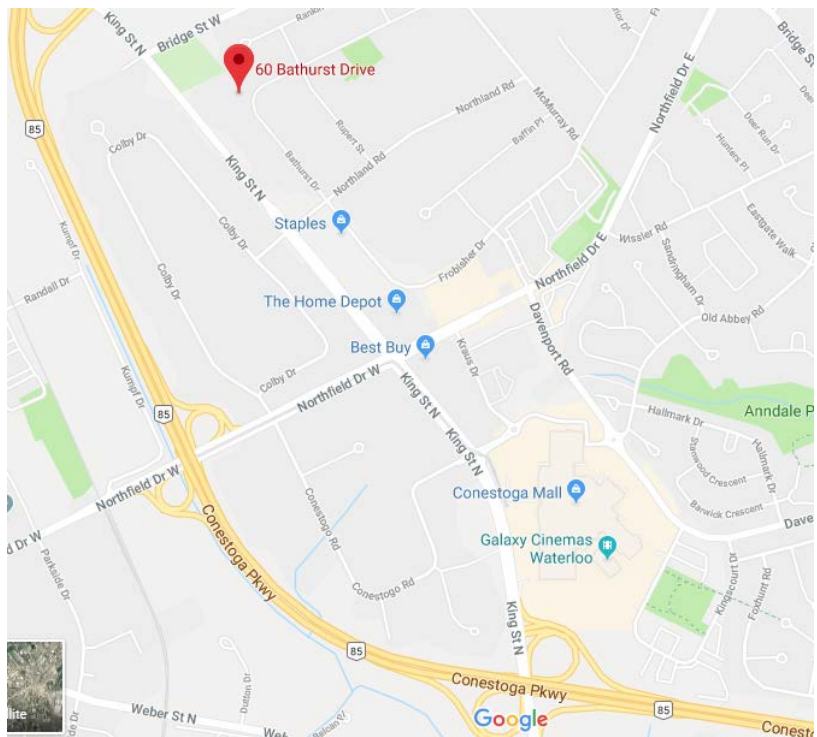

Greetings Clients and Friends

Re: New Location, New Name, Same Great Service, Same Phone Number, Same Email

You spoke. We Listened.

Many of our clients have expressed how difficult it is to access our offices now that ION Light Rail is on King Street in front of our office. Clients have also found it particularly difficult to park and to access the parking. In light of these changes, **12th March, 2018** we will be relocating to:

**60 Bathurst Drive
Unit 1
Waterloo, ON
N2V 2A9**

Our new location has ample parking and is easily accessible from all locations in Waterloo region and beyond.

In addition, we will be operating under a new name in 2018. We will soon be known as **MM&P LLP Chartered Professional Accountants**.

To respond to our clients' needs and changing market conditions is one of the advantages of being a business of our size. We think these traits are not only advantages, they are hallmarks of our company.

We look forward to providing you with the same great services at our new location and under our new name in the years to come.

Yours truly,

Moore, McDermott & Partners LLP
